**STATEMENT OF CECILIA LU SETTING FORTH PERTINENT FACTS
REGARDING NON-SIGNING INVENTORS UNDER 37 C.F.R. § 1.47(a)**

Sir:

I, Cecilia Lu, am an administrative assistant at Even Technologies, which has a usual place of business at 601 West Cordova Street, Suite #490, Vancouver, British Columbia V6B 1G1, Canada. Even Technologies is the former employer of non-signing inventors Meng Wang, Jian Wang and Ying Luo, and as such I have personal knowledge of the diligent efforts to contact the non-signing inventors as is stated in further detail below.

Details of efforts to reach Meng Wang

1. To the best of my knowledge, the last known address of Meng Wang is 3027 Laurel Street, Vancouver, British Columbia V5Z 3T6, Canada.
2. Even Technologies retained Mobile 1 Messengers Inc. to contact Meng Wang by courier at the address given above. Attached as Exhibit 1 is a copy of the instructions which I gave to the courier for contacting Meng Wang at the above address. On or about April 16, 2008, Mobile 1 Messengers attempted delivery of an envelope to Meng Wang. As indicated in the statement signed by William Allen, the Mobile 1 Messengers employee who attempted

delivery, Meng Wang was not present. A copy of William Allen's statement is attached with Exhibit 1.

Details of efforts to reach Jian Wang

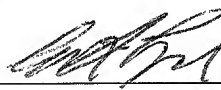

1. To the best of my knowledge, the last known address of Jian Wang is 104-7495 Sandborne Avenue, Burnaby, British Columbia V3W 4V4, Canada.
2. On or about April 4, 2008, I attempted to contact Jian Wang by registered mail at the address given above. I have monitored the delivery status of the letter on the Canadapost website. Attempted delivery of the letter has been unsuccessful. Attached as Exhibit 2 are copies of the letter which I sent to Jian Wang as well as the Canadapost transcript showing failed delivery of the letter.

Details of efforts to reach Ying Luo

1. To the best of my knowledge, the last known address of Ying Luo is 1012-1477 Mississauga Valley Boulevard, Mississauga, Ontario L5A 3Y4, Canada.
2. On or about March 28, 2008, I attempted to contact Ying Luo by registered mail at the address given above. On or about April 7, 2008, I again attempted to contact Ying Luo by registered mail at the address given above. I monitored the delivery status of the letters on the Canadapost website. Attempted delivery was unsuccessful and the letters were returned to me as undeliverable. Attached as Exhibit 3 is a copy of the letter I sent to Ying Luo by registered mail as well as the Canadapost transcripts showing failed delivery of each letter.
3. On or about April 2, 2008, Leslie Sims of Even Technologies attempted to contact Ying Luo by email at yingl@ece.ubc.ca. To the best of my knowledge, Ying Luo can be reached at this email address. Ying Luo has not replied to the email. Attached as Exhibit 4 is a copy of the email to Ying Luo by Leslie Sims.

I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true. Furthermore, these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
